

**LEGAL PROFESSION ACT 2008****LEGAL PROFESSION (MAGISTRATES COURT)  
(CIVIL) REPORT 2018**

Made by the Legal Costs Committee under Division 5 of Part 10 of the *Legal Profession Act 2008* (Act).

**PART 1—PRELIMINARY****1. Citation**

- (a) This Report may be cited as the *Legal Profession (Magistrates Court) (Civil) Report 2018*.
- (b) The Determination set out in the Schedule to this Report is referred to in this Report as the *Legal Profession (Magistrates Court) (Civil) Determination 2018*.

**PART 2—NOTICE AND INQUIRIES****2. Notice under section 278 of the Act**

The Legal Costs Committee has complied with the notice provisions of section 278 of the Act.

**3. Inquiries and submissions under section 277 of the Act**

Before making the *Legal Profession (Magistrates Court) (Civil) Determination 2018* the Legal Costs Committee—

- (a) reviewed all submissions received as a result of the notice given under section 278 of the Act;
- (b) considered the impact of changes in relevant Australian Bureau of Statistics data for the period;
- (c) reviewed the *Legal Practitioners (Magistrates Court) (Civil) Determination 2016*<sup>1</sup>; and
- (d) had regard to relevant provisions of the *Magistrates Court Act 2004* and the *Magistrates Court (Civil Proceedings) Act 2004*, and in particular notes section 13(1) of that Act, which sets out the guiding principles for the conduct of civil proceedings in the Court.

**PART 3—REPORT OF LEGAL COSTS COMMITTEE'S CONCLUSIONS****4. Maximum hourly and daily rates changed—scale of costs amended**

- (a) The information gained as a result of the inquiries and submissions described in clause 3 satisfied the Legal Costs Committee that having regard to the provisions of the *Magistrates Court Act 2004* and the *Magistrates Court (Civil Proceedings) Act 2004*, it remains appropriate to determine hourly and daily rates and a scale of costs for legal work applicable to civil proceedings in the Magistrates Court.
- (b) It is the recommendation of the Legal Costs Committee that—
  - (1) as a result of the inquiries and submissions described in clause 3;
  - (2) having considered the impact of relevant Australian Bureau of Statistics data;
  - (3) having considered submissions from The Law Society of Western Australia; and
  - (4) taking into account the incidental administrative implications of the calculation of the Goods and Services Tax,

the hourly and daily rates referred to in subclause 4(a) be varied from the hourly and daily rates used in the *Legal Practitioners (Magistrates Court) (Civil) Determination 2016*. Those amended rates are set out in Table A of the *Legal Profession (Magistrates Court) (Civil) Determination 2018*.

- (c) The Legal Costs Committee has concluded that the matters set out in section 13(1) of the *Magistrates Court (Civil Proceedings) Act 2004* properly informs the approach to the recovery of costs recommended in *Legal Profession (Magistrates Court) (Civil) Determination 2018*. In particular the Legal Costs Committee notes—
  - (1) the Magistrates Court is not a court of pleadings;
  - (2) there are substantial differences in practice and procedure between the Magistrates Court and other civil courts in this State;
  - (3) it is intended that the Magistrates Court be a low cost jurisdiction;

---

<sup>1</sup> Published in Gazette 24 June 2016

- (4) actions where the quantum is less than \$10,000 do not attract an entitlement to party/party costs, without a special costs order; and
- (5) the monetary jurisdiction of the Magistrates Court is presently \$75,000.
- (d) Having regard to the information gained as a result of the inquiries and submissions described in clause 3, the Legal Costs Committee has concluded it remains appropriate to—
  - (1) order the scale to reflect the procedures utilised in the Magistrates Court and the flow of litigation;
  - (2) maintain consistency where practicable with the format of the *Legal Profession (Supreme and District Courts) (Contentious Business) Determination 2018*; and
  - (3) provide for hourly and daily rates applicable to Counsel and Senior Counsel.
- (e) It is the recommendation of the Legal Costs Committee as a result of the inquiries and submissions described in clause 3, the scale of costs be varied in the manner set out in Table B of the *Legal Profession (Magistrates Court) (Civil) Determination 2018*.
- (f) The Legal Costs Committee intends, because the scale sets maximum hourly and daily rates and amounts and allowances that must not be exceeded, that the hourly and daily rates and scale of costs will apply in circumstances requiring the determination of allowable and other costs in the minor cases procedure of the Magistrates Court.
- (g) The Legal Costs Committee intends that the Determination shall apply to all civil proceedings dealt with in the Magistrates Court, including civil jurisdiction conferred on the Court by a written law, including, for example, the *Dividing Fences Act 1961* and the *Restraining Orders Act 1997*.
- (h) The recommendations of the Legal Costs Committee are not intended to override any entitlement of a law practice to make a written agreement as to costs with a client under the Act or any similar legislation.

#### **LEGAL PROFESSION ACT 2008**

##### LEGAL PROFESSION (MAGISTRATES COURT) (CIVIL) DETERMINATION 2018

Made by the Legal Costs Committee under section 275 of the *Legal Profession Act 2008 (Act)*.

#### **1. Citation**

This Determination may be cited as the *Legal Profession (Magistrates Court) (Civil) Determination 2018*.

#### **2. Commencement**

This Determination comes into operation on 1 July 2018.

#### **3. Application**

- (a) This Determination applies to the remuneration of legal practitioners, clerks and paralegals in respect of advice given by legal practitioners in or for the purposes of civil proceedings before the Magistrates Court.
- (b) This Determination does not apply to the remuneration of legal practitioners based on costs incurred in respect of business carried out before the commencement of this Determination.

#### **4. No minimum charge**

In no respect is this Determination to be seen as providing a minimum charge for any work other than the items referred to in clause 5. For example, item 2(c) provides for \$3,344 for the work involved. The figure of \$3,344 is a maximum, but on taxation less than \$3,344 might be allowed. Where there is a set cost or time or level of fee earner indicated, the purpose is to indicate to the Assessing Officer what reasonably may be expected in most cases.

#### **5. Fixed items**

Some items in this Determination have been fixed without any indication of how these items have been calculated. These items are 1, 2(a), 4(a), 11, 12(c), 17(a)(2), 17(b), 18(a), 20 and 21(a). These have been fixed because, based on past practices, the Court staff require a fixed figure when completing the form of Entry of Judgment by Default and the like.

#### **6. Time estimates**

The reason for stating the number of hours estimated to be necessary to perform each of the items of work described in this Determination is to provide guidance to the Court when dealing with the question of costs so that the Court has some idea how much time is reasonably necessary to perform work in most cases. For example, in item 15(a), which relates to preparation for trial or getting up a

case for trial, the time indicated is that which can be expected in most cases. Some items reflect a number of hours that have been estimated so as to include work done with respect to the process of obtaining and considering evidence, interrogatories, documents, disclosures and the like, for example items 2(b), 4(b), 5, 10 and 19. The hours referred to in this Determination will guide the Assessing Officer about the amount which should be allowed in a particular case.

### 7. Counsel

- (a) In items 14 and 16, if independent counsel is not retained for the trial, this will be a factor to be considered by the Assessing Officer who might not then permit the full amount in the determination for fee on brief under item 16(b), as well as a full getting up allowance under item 14. This is in line with the decisions of *Commonwealth v Magriplis* (1962) 3 FLR 47 and *Washbourne v SEC* (1992) 8 WAR 188.
- (b) All appearances allowed for in items 10, 15 and 22 of Table B are intended to be charged at the applicable counsel rate, and not at any higher rate that may be applicable to the actual practitioner by reason of the person undertaking the appearance otherwise being entitled to charge as a Senior Practitioner.
- (c) Fees charged by practitioners who practice solely as barristers in accordance with Supreme Court Practice Direction 10.5 are only to be charged at the rates provided for counsel of their seniority in Table A and are not to be charged at rates applicable to a Senior Practitioner.
- (d) The increase in Counsel rates, and no increase in Senior Counsel rates in Table A is designed to narrow the gap between those levels of seniority of counsel and more accurately reflect the market for legal services.
- (e) Recovery of daily fees for counsel on the taxation or assessment of a Bill of Costs is intended to apply only when a full day has been worked, either in Court or in Court and in preparation for a subsequent hearing day.

### 8. Settled proceedings

It is intended that item 13 should apply even if there is no trial. Thus, if the case is settled before trial and the law practice can demonstrate that preparation for trial was carried out, costs may be recovered for that work and allowed on an assessment of costs.

### 9. Restricted Practitioner category

The amendments brought in by the *Legal Profession (Magistrates Court) (Civil) Determination 2016* remain in effect. Clause 10(e) of that Determination ceases to have effect with the introduction of this Determination.

### 10. Maximum hourly and daily rates

- (a) The hourly and daily rates set out in Table A are the maximum hourly and daily rates, inclusive of GST, which the Legal Costs Committee determines shall be used to calculate the dollar amounts set out in Table B. Except for certain items, each item in this Determination specifies a dollar amount with reference to the fee earner.
- (b) The rates referred to in paragraph (a) were ascertained in the manner set out in clause 4 of the *Legal Profession (Magistrates Court) (Civil) Report 2018*.
- (c) The daily rates set out in Table A are intended to cover all work done on a hearing or trial day whether in or out of court including preparation of written submissions and are not intended to be supplemented in any way by additional hourly charges given that the maximum number of hours allowed for the daily rate is 10 hours per day.
- (d) The items in Table B are not intended to be calculated on the basis of a minimum 6 minute unit.

**Table A**

Fee Earner	Maximum allowed hourly rates
Senior Practitioner ° (permitted to practise on his or her own account for 5 years or more) (SP) α	\$418
Junior Practitioner ° (permitted to practise on his or her own account for less than 5 years) (JP)	\$319

Senior Counsel**

° The reference to Restricted Practitioner, Junior Practitioner or Senior Practitioner in this Determination includes all legal practitioners even if the services were rendered in another State or Territory. Where a local practitioner has held an interstate practising certificate, the length of unrestricted legal practice in that other jurisdiction is to be counted in assessing that practitioner's years of practice for the purposes of this Determination.

- # The reference to Restricted Practitioner in this Determination includes practitioners undertaking restricted legal practice for the purposes of obtaining the required experience set out in section 50 of the Act and does not include a reference to an Australian legal practitioner who has a condition placed on their practising certificate by the Legal Practice Board, State Administrative Tribunal or otherwise, requiring them to practise under supervision for disciplinary, medical or other reasons.
- ## The reference to Clerk/Paralegal in this Determination includes a law graduate prior to their admission to practise as an Australian lawyer.
- \* The reference to Counsel in this Determination means a practitioner acting as a barrister other than a Senior Counsel, including for the purposes of items 10, 15 and 22, a practitioner appearing in court who does not practise in accordance with Supreme Court Practice Direction 10.5.
- \*\* The reference to Senior Counsel in this Determination means a person within the meaning of item 11 or item 12 of Regulation 5(2) of the *Legal Profession Regulations 2009* (WA).

## 11. Costs

- (a) Subject to the provisions of the Act permitting a law practice to make a written agreement as to costs with a client, the costs of or in relation to a party to an action or other proceeding (inclusive of GST and counsel fees, but exclusive of other disbursements)—
- (1) recoverable by one party from another party; or
  - (2) payable by a party to that party's own law practice,
- shall not exceed the amounts set out in Table B (except as otherwise provided in item 25 of Table B).
- (b) Allowances made under item 25 of Table B are only to be awarded as between a law practice and its client, and not between party and party unless the Court otherwise orders. The item is not intended to be used to claim increased allowances for items which should properly fit into another item in the Determination, for example item 10.
- (c) The Legal Costs Committee notes the impact of the decision in *Rodwell v Hutchinson* [2010] WASCA 197, and so no allowance is made in this determination for an award of indemnity costs.
- (d) The Legal Costs Committee notes the comments of the court in *Defendi v Eden Hill Plasterers* [2008] WASCA 269 at [7] as to the importance of the proportionality principle in litigation in this Court, which arises in respect to all costs incurred in the Court.
