

LEGAL PROFESSION ACT 2008**LEGAL PROFESSION (MAGISTRATES COURT) (CRIMINAL)
REPORT 2022**

Made by the Legal Costs Committee under Division 5 of Part 10 of the *Legal Profession Act 2008 (Act)*.

PART 1—PRELIMINARY**1 Citation**

- (a) This Report may be cited as the *Legal Profession (Magistrates Court) (Criminal) Report 2022*.
- (b) The Determination set out in the Schedule to this Report is referred to in this Report as the *Legal Profession (Magistrates Court) (Criminal) Determination 2022*.

PART 2—NOTICE AND INQUIRIES**2 Notice under section 278 of the Act**

The Legal Costs Committee has complied with the notice provisions of section 278 of the Act.

3 Inquiries and submissions under section 277 of the Act

Before making the *Legal Profession (Magistrates Court) (Criminal) Determination 2022* the Legal Costs Committee—

- (a) reviewed all submissions received as a result of the notice given under section 278 of the Act including those made by The Law Society of Western Australia (Inc);
- (b) considered the comments and suggestions made at a seminar with members of the legal profession held on 2 February 2022;
- (c) considered the impact of changes in relevant Australian Bureau of Statistics data for the period;
- (d) reviewed the *Legal Practitioners (Magistrates Court) (Criminal Jurisdiction) Determination 2020¹*; and
- (e) had regard to relevant provisions of the *Magistrates Court Act 2004*.

PART 3—REPORT OF LEGAL COSTS COMMITTEE'S CONCLUSIONS**4 Maximum hourly and daily rates changed—scale of costs amended**

- (a) The Legal Costs Committee notes that the criminal jurisdiction of the Magistrates Court covers a wide range of summary criminal matters.
- (b) The Legal Costs Committee considers that as a consequence of the position stated in subclause 4(a), it is appropriate for a general scale of fees based on hourly rates to continue to apply to the time reasonably taken to perform the services provided by a law practice in, or for the purposes of contentious business in the criminal jurisdiction of the Magistrates Court.
- (c) It is the recommendation of the Legal Costs Committee that—
 - (1) as a result of the inquiries and submissions described in clause 3;
 - (2) having considered the impact of relevant Australian Bureau of Statistics data;
 - (3) having considered the impact of the COVID-19 pandemic and its projected impact on the Australian economy; and
 - (4) taking into account the incidental administrative implications of the calculation of the Goods and Services Tax,the appropriate hourly rates referred to in subclause 4(b) be varied from the hourly and daily rates used in the *Legal Practitioners (Magistrates Court) (Criminal) Determination 2020*. Those rates are set out in Table A of the *Legal Profession (Magistrates Court) (Criminal) Determination 2022*.
- (d) It is the recommendation of the Legal Costs Committee that the hourly rates charged by law practices under the *Legal Profession (Magistrates Court) (Civil) Determination 2018* should be adopted as the basis for costs for the supply of legal services covered under the *Legal Profession (Magistrates Court) (Criminal) Determination 2022*.
- (e) It is further recommended that Table B of the *Legal Profession (Magistrates Court) (Criminal) Determination 2022* be adopted as the basis for costs for the supply of those legal services itemised in that Table.
- (f) The recommendations of the Legal Costs Committee are not intended to override any entitlement of a law practice to make a written agreement as to costs with a client under the Act or any successor legislation.

LEGAL PROFESSION ACT 2008

LEGAL PROFESSION (MAGISTRATES COURT) (CRIMINAL) DETERMINATION 2022

Made by the Legal Costs Committee under section 275 of the *Legal Profession Act 2008 (Act)*.

1 Citation

This Determination may be cited as the *Legal Profession (Magistrates Court) (Criminal) Determination 2022*.

2 Commencement

This Determination comes into operation on 1 July 2022.

3 Application

- (a) This Determination applies to the remuneration of legal practitioners, clerks and paralegals in respect of advice given by legal practitioners in or for the purposes of criminal proceedings in the Magistrates Court.
- (b) This Determination does not apply to the remuneration of legal practitioners based on costs incurred in respect of work carried out before the commencement of this Determination.

4 Travel

- (a) For the purposes of this Determination, minor travel means incidental travel associated with attendance at court for a hearing where that travel is of a minor duration. Examples of minor travel include, but are not limited to—
 - (1) a practitioner walking from their usual place of business to a court;
 - (2) a practitioner walking from a carpark to a court; or
 - (3) a practitioner walking or taking public transport from one centrally located court to another centrally located court.
- (b) As between a law practice and its own client, time spent travelling other than minor travel, is to be charged at no more than one half of the rates set out in Table A, with a maximum of 8 hours in any one day.
- (c) In making its decision in this Determination, the Legal Costs Committee has taken note of the Law Society of Western Australia's Standard Costs Agreement, which contains a provision that a law practice will charge travel at 50% of the agreed hourly rates.
- (d) The Legal Costs Committee has also considered an informal policy of the Legal Profession Complaints Committee that travel should not ordinarily be charged at a rate of more than 50% of a law practice's normal hourly charge-out rate.
- (e) Whilst the Legal Costs Committee recognises that during a travel period a law practice may not necessarily utilise legal skill and knowledge, there is a recognition of a loss of opportunity for the time spent travelling.
- (f) The Legal Costs Committee notes that, having regard to the above—
 - (1) it is the responsibility of a law practice to allocate the cost of time spent on travel fairly and reasonably where the travel is necessary to service more than one client on the day of travel; and
 - (2) whilst nothing contained in this Determination prevents a law practice from charging time spent on a client matter or client matters in the course of travel (air travel by way of example), the law practice is not entitled to charge a client or clients for both time spent on a client matter (regardless of whether that time relates to the client for whom the travel is being undertaken) and the amount for travel allowed in this Determination.

5 Restricted Practitioner category

The amendments brought in by the *Legal Profession (Magistrates Court) (Criminal) Determination 2016* remain in effect, other than clause 5(e) of that Determination.

6 Increase generally

- (a) The Committee is of the view that increases in the cost of practice over the past several years have justified an increase in the rates in Table A and Table B.

- (b) The Committee made no general increase in the 2020 review as a result of the uncertain economic climate at that time due to the COVID-19 pandemic. Given the economic picture in 2022 is more positive, and the fact that rate rises have been modest for the past decade, the Committee determined it was appropriate to include a general increase.
- (c) In making its decision, the Committee is particularly cognisant of the increased costs to law practices occasioned by the purchase of technology and training to enable legal practitioners and staff to work remotely, and investments made by law practices in staff well-being initiatives.
- (d) Other costs incurred by law practices as a result of the COVID-19 pandemic, for example the purchase of sanitiser, masks, rapid antigen tests and other similar measures, are intended to be covered by the rates in this Determination and are not properly chargeable to clients as disbursements.
- (e) The increase in the rates in this Determination are not uniform but have been calculated, generally, on the basis of a 5% increase, with a rounding so that each amount is divisible by 11 in accordance with the long-standing policy of the Committee.

7 Maximum hourly and daily rates

- (a) The hourly rates set out in Table A below are the maximum hourly rates, inclusive of GST, which the Legal Costs Committee determines shall be used to calculate the remuneration of law practices in respect of time reasonably taken to perform services in or for the purposes of work undertaken by law practices in respect of criminal proceedings before the Magistrates Court.
- (b) The Rates referred to in paragraph (a) were ascertained in the manner set out in clause 4 of the *Legal Profession (Magistrates Court) (Criminal) Report 2022*.
- (c) The daily rates set out in Table B below are intended to cover all work done on a hearing or trial day whether in or out of court including preparation of written submissions and are not intended to be supplemented in any way by additional hourly charges given that the maximum number of hours allowed for the daily rate is 10 hours per day.
- (d) The items in Table B are not intended to be calculated on the basis of a minimum 6 minute unit.

Notes—

- 1 The reference to Restricted Practitioner, Junior Practitioner or Senior Practitioner in this Determination includes all legal practitioners even if the services were rendered in another State or Territory. Where a local practitioner has held an interstate practising certificate, the length of unrestricted legal practice in that other jurisdiction is to be counted in assessing that practitioner's years of practice for the purposes of this Determination.
- 2 The reference to Restricted Practitioner in this Determination includes practitioners undertaking restricted legal practice for the purposes of obtaining the required experience set out in section 50 of the Act and does not include a reference to an Australian legal practitioner who has a condition placed on their practising certificate by the Legal Practice Board, State Administrative Tribunal or otherwise, requiring them to practise under supervision for disciplinary, medical or other reasons.
- 3 The reference to Clerk/Paralegal in this Determination includes a law graduate prior to their admission to practise as an Australian lawyer.
- 4 The reference to Counsel in this Determination means a practitioner acting as a barrister other than a Senior Counsel, including, for the purposes of items 10, 11, 17, 22, 25 and 26, a practitioner appearing in court who does not practise in accordance with Supreme Court Practice Direction 10.5.

- 5 The reference to Senior Counsel in this Determination means a person within the meaning of item 11 or item 12 of Regulation 5(2) of the *Legal Profession Regulations 2009* (WA).

8 Costs

- (a) Subject to the provisions of the Act permitting a law practice to make a written agreement as to costs with a client, the costs of or in relation to a prosecution of an accused (inclusive of GST and counsel fees, but exclusive of other disbursements)—
- (1) recoverable by one party from another party; or
 - (2) payable by a party to that party's own law practice,
- shall not exceed the amounts set out in Table B.
- (b) Each item of the Scale of Costs specifies a dollar amount. The purpose is to indicate the maximum amount for the work indicated in the item, but on assessment, less might be allowed. In no respect is the Scale to be seen as providing a minimum charge for any work. The reason for stating the number of hours estimated to be necessary to perform each of the items of work described in the Scale is to provide guidance to the Assessing Officer when dealing with the question of costs so that the Assessing Officer has some idea how much time is reasonably necessary to perform the work in most cases.
- (c) Work undertaken by Senior Counsel shall be allowable in accordance with the rates in the Table A of this Determination.
